COACHING FRAMEWORK

YOUTH CRICKET
DEVELOPMENT COACHING COURSE

This course will give you the knowledge you need to create skilled, cohesive and engaged cricket teams.

As you'll see below, there are a six 'core modules' as part of this course. These are the modules that we believe are critical for coaches to learn, to help you be a great coach for your team. If you want to receive a 'development course ' certificate, you need to complete these core modules.

Extension modules are available to extend and build on your knowledge.

We will add extension modules periodically to this course as a way to keep our coaching content relevant, so keep an eye on the NZC coaching website.
